

# INTRODUCING ONE CALL NOW

The YPAC Swim Team will now be utilizing a new service called ONE CALL NOW. One Call Now allows us to contact our entire roster in one easy step via either a phone call or email. This service will eliminate the need for “phone trees” and will allow messages to get out to the membership in a quick and efficient manner.

Each member is asked to supply up to two phone numbers and two email addresses for use with the One Call Now system. The system will be used to send out reminders (i.e. upcoming dates) and emergency messages (i.e. practice cancellations) among many other uses.

**When a phone message is sent out you will see the One Call Now number of 1-877-698-3261 on your caller I.D. It is suggested that you program this number into your phones so you will know when there is a message from YPAC. Also, if you miss a message you can call this number and retrieve the most recent messages for our team.**

**When a YPAC email or the Piranhagram newsletter is transmitted, it will come from Ginger Dery <[mail@notify.onecallnow.com](mailto:mail@notify.onecallnow.com)>. To ensure that you continue to receive all YPAC emails, and they do not end up in a spam folder, please add this to your Email Address Book.**

Please contact Krista Woerfel at [twoerfel01@comcast.net](mailto:twoerfel01@comcast.net) with any questions and updates to your phone numbers and emails.
